Junior County Team Selection - 2014

Each year the County selects a team to represent Devon and Cornwall at the Junior Intercounties Tournament against the other three counties making up GWAS. The team has to include recurve (8), compound (3), barebow (2) and longbow (2) archers who can be in any age group (shooting the round appropriate to their age group) and has to include both boys and girls. Archers have to be affiliated to GNAS, DCAS and GWAS.

Do you want to be considered for the DCAS County Junior Team?

Selection for the DCAS County Team will be made on the basis of scores shot this year at outdoor open tournaments. The team selection will be made by the County Records Officer (CRO) together with the County Junior Representative.

You should let the CRO know as soon as possible that you want to be considered for selection by completing and returning the attached form. The form should be returned as soon as possible but not later than the cut-off date (see below). You don't have to wait until you have scores to submit before you return the form – you can submit scores to the CRO after then at any time during the summer, right up to the cut-off date.

You will shoot a Metric (12-dozen) round for the Intercounties so at least one of the scores you submit should be for a 12-dozen round. If possible you should submit scores for three outdoor rounds appropriate to your age group and gender and shot this year. The CRO will already have results sheets for tournaments inside the County so you do not need to send those again (but you can if you want to make sure!).

If you move up an age group during the summer then you can submit rounds shot under your old age group, but a higher weighting will be given in the selection process to any rounds that include the longest distance at your new age group.

All scores submitted should be shot at open tournaments and if shot outside the County should be accompanied by an official results sheet. Scores shot at club competitions or club target days can't be considered.

Date of the Intercounties Match

This year the Junior Intercounties match will be held on Saturday 6th September, at Danesfield School (Bowmen of Danesfield) in Somerset. You will need to confirm on the form that you will be available to shoot on that day if selected.

The Intercounties match will take place this year by itself, not in conjunction with any other shoot, and only members of the selected teams will be competing. As it will be based on Metric rounds it will take all day.

Cut-off Date

The cut-off date for the submission of scores for selection will be 18th August 2014.
