

To all DCAS Club Secretaries

>>----->

National Intercounties Tournament

It has been agreed by the organisers that there is an opportunity to enter extra teams in the above tournament. Such teams will not be organised or funded by County.

If you can raise a team of three archers all shooting the same discipline, please download the entry form from the ArcheryGB web site. The team entry will have to be ratified by County before being sent to AGB. Please send the completed form with payment for entry (£84 per team) plus any camping fees (£8.00 per unit per night) to Jimmy Sandoe, Meadowside Higher North Country Redruth TR164DB, who will get the entry ratified by County. CHEQUES PAYABLE TO ARCHERYGB.

Junction Archers

This from Frank Bath at Junction Archers:

Here is an Update from our Active Devon Sports awards nomination for Active Villages Project of the Year 2013. Despite stiff competition from Age UK's Yoga group and leaving Chagford Cricket Club stumped, Junction Archers aimed high and flew away with the award of Active Villages Project of the Year. (sorry about the Puns!!)

Congratulations to Frank and Junction!

Winter Postal Leagues

Megan Wilshaw got the winter Portsmouth and Frostbite postal leagues running again and has been running them for the last couple of years, but is not able to run them again this coming winter. So, firstly, very many thanks to Megan for getting the postals running again.

Secondly, can you please ask around your clubs to see if you have anybody willing to take over from Megan the role of running the postal leagues. Megan will be very happy to help you get started.

Opportunities for Archers and Coaches

I attach a notice from Phil Hudson, the GWAS Regional Coaching Organiser. Please pass this on to all coaches in your club and others who may be interested.

For Devon Archery Clubs

A seminar has been organised by Archery GB and Active Devon to which all archery clubs in Devon are invited to send representatives. (A similar seminar was organised recently by the Cornwall Sports Partnership for Cornish clubs.)

This free seminar is a must for all Devon archery clubs that are looking for the latest information and advice to help with future development, funding, participation and growth.

Untitled

We have found our club involvement with the Archery GB Development team and Active Devon has been very helpful and beneficial to our own club - please try to attend this event and learn how your club may benefit too.

The seminar will be on Wednesday 26th June at 7.00pm at Exeter District Scout HQ. (Room 3 - see <http://scouts-exeter.org.uk/little-silver/little-silver-details/>). The outline agenda is attached.

Please contact Malcolm Grant (Brixham Archers) by phone or e-mail to ensure your booking. Tel: 01803 843097 E-mail: archerygbcoach@talktalk.net.
