There's a couple of clashes that we're aware of that it would be good to find a solution to - although the calendar is congested, and this year May is particularly congested, so it could be difficult. If you notice any serious clashes that we might have missed please let Judith know, although there's no guarantee that she'll be able to do anything about it!

No Club has offered to host the County Championships this year. Please give serious consideration as to whether you are able to do so, and again let Judith know.

Forgotten to return the Trophy?

We have lost track of a number of DCAS trophies, particularly Postal League trophies. Can you look around your clubhouse and ask around your members and see if you have a DCAS trophy somewhere that you've forgotten to return.

If you have, please let me know and we'll try to arrange for it to be picked up.

DCAS Winter Postal Leagues

Because GNAS no longer show Club membership on the GNAS cards of Direct Members we have adjusted Rule 4 for both the Frostbite and Portsmouth Leagues as

follows:

Delete the sentence "Each member of the Club Team must be affiliated to DCAS and shall only shoot for the Club indicated on his/her GNAS Membership Card", and replace with the sentence "Each member of the Club Team must be affiliated to DCAS and shall only shoot for one Club, normally the Club shown on his/her GNAS Membership Card where this is indicated."
