

To all DCAS Club Secretaries

----->

Winter Postal Leagues

I attach rules and entry forms for the DCAS Portsmouth and Frostbite winter postal leagues, that will be running again this winter with Megan in the chair. It was a good competition last winter, although the number of teams entered was perhaps a little disappointing - hopefully we'll have a few more teams this year.

AGM 2012

A reminder that the DCAS Annual General Meeting will be held on Sunday 25 November this year. Formal notice will be issued in due course, but please make sure that date is in your diary, and that you've sorted out at least one representative from your club to attend.

All the Committee posts will be up for election, but can you give particular thought to putting forward somebody to take on a couple of posts. The current Chairman, John Poyner, indicated last year that he would like to stand down this year. And the Junior Rep post is vacant, although I've been filling-in to some extent. So people to take on those two posts would be particularly welcome. (Alternatively, if somebody else was willing to take on the Secretary role then I could do justice to the Junior Rep role . . .)

----->

Newsletter Editor

Sami Glover is no longer able to continue with her role of DCAS Newsletter Editor. I'm sure you will join me in thanking her for the good job she's done over the last several years.

Can you all give some thought as to who might be prepared to take on this role - it would be good to keep the newsletter going, and if possible to get an edition out for the AGM in November.

(This is not necessarily a Committee post, although Sami was always invited to attend Committee meetings.)
