Another one over! Although the tournament went very well with no real problems, it did take longer than expected.

May I apologise for the late finish, I know some of you had a fair way to travel home. We will look how we can make it run a bit faster for next year.

My thanks to all who helped put on the event, both Archers of the West and members from other clubs.

Yet again my thanks to Tim for this year bringing along his computer programme which made sorting out qualifying lists that much easier.

Thank you to our Judges, Andrea and Steve. I say this every year but they do keep the event running along smoothly.

Finally, thank you to our Lady Paramount, Sarah Conisbee for agreeing to accept the position this year.

Our next event is our Portsmouth to be held at the same venue on 8 March 2009

We will be starting at a more realistic time and should finish well before tea-time!!!!

On behalf of Archers of the West may I wish you all a great Christmas and a very successful New Year.

All the best,

Bob Young
