Qualifying Rounds: Portsmouth rounds – 5 dozen arrows shot at 20 yards.

All **senior compound archers** will shoot on **vertical triple 60cm faces**, while **all other categories** will use **single 60cm faces**. Junior compound archers wishing to take part in the H2H must shoot their qualifying round on a vertical triple 60cm face.

It may be possible to shoot in more than one session if space permits, but **only the first scoring round** will be used for placing in the H2H competition. Archers using **different bow styles** in different sessions must nominate the style to be used for H2H selection.

Fun Head to Head Competition: Normally, the top scoring 8 archers in each discipline (Recurve and Compound) from the qualifying Portsmouth rounds will compete in a knockout competition, each stage of which comprises a maximum of 5 sets of 3 arrows shot on vertical triple 40cm faces at 18m. Note: If there are less than 8 archers in a class, then fewer H2H rounds or byes will be used. We will also endeavor to include as many **Longbow and barebow archers** in the H2H as space permits. Compound archers will shoot 5 ends and the highest total score will win that match.
