**24 August 2020**

Hello to Club Affiliation Officers, Secretaries, etc,

### **DCAS & GWAS Affiliations for 2020/21**

This is our usual e-mail, concerning 2020/21 Affiliations. I'm sorry it is much later than usual because we had to wait for the GWAS postponed AGM, which was held yesterday, to determine what the GWAS fees would be for the coming year.

#### Some pointers:

- The system of reporting just numbers of archers affiliating remains in place, with a copy of the electronic invoice from Archery GB accompanying the submission form for the archers you are affiliating. The two should match.
- You can still choose how you will submit the Regional & County Affiliation: either wholly electronically (*preferred*) or wholly by surface mail. This will mean that each submission is in one place/format and will save me having to match up e-mails, papers submission forms, cheques and BACS payments which come to me separately.
- Archery GB has introduced a two-tier charging structure (different for re-joining archers and newcomers) and a three-stage, reducing fee, pro-rating for new archers joining between April & September. See the affiliation forms attached.
- The Regional fees pro-rate to half rate for newcomers from 1 April and remain at that rate throughout the remainder of the affiliation year.
- I attach a chart setting out the various rates involved.

Per capita fees	Returning Archers & Late re-affiliating Archers (Members in 2019/20)		New & Lapsed Members (Not members in 2019/20)

- The new Regional & County affiliation submission forms are attached. These will be available on the DCAS website as well, shortly.
- Please ensure that the Return No. box is completed showing the consecutive number of the Regional & County Return you are making (for 2020/21 Affiliations, we will start again at No.1; then No.2 for your second submission, and so on). For those paying by direct credit into the Devon & Cornwall and Grand Western bank accounts, please include this consecutive no. in the description box on the bank transfer.

Any problems, don't hesitate to give me a ring.
