

Devon and Cornwall Archery Society County Team

Senior County Team

DCAS County Team Shirt Replacement Policy (since 2019)

Archers are issued a county team shirt on the first occasion that they shoot on the county team.

When shooting for the county, shirts should be in a suitable condition, if an archer has lost or damaged their county shirt there are 3 options available:

- Free shirt replacement, if archer qualifies (see below)
- Purchase a replacement, if archer does not qualify for a free replacement
- Borrow a loan shirt (these must be washed and returned in the same condition after use)

Loan shirts are also available for those shooting at the National Intercounties who only own one shirt as county shirts should be worn both days.

Additional shirts can be purchased by anyone currently representing the county at £32 each.

After 5 years of representing the county (or 8 events for those who are selected for the team twice in a year for 4 years), archers will be entitled to exchange their shirt for a free replacement if required.

Replacement / additional and loan shirts should be requested using the attached form and returning to the team manager.

If free exchange of an existing shirt is required please complete the section for when you have represented the county to confirm eligibility.
