Junior County Team

Each year the County select a team to represent Devon and Cornwall at the Junior Inter-counties Tournament against the other three counties making up GWAS. The team has to include recurve, compound, barebow and longbow archers, has to include both boys and girls, and has to include archers from all the junior age groups.

If you have young archers interested in being selected for the County Team, I attach an application form which includes an explanation of the selection procedure. Last year DCAS were unable to put up a full team, so there is plenty of scope for newer archers to be selected. Please circulate the application form to all your aspiring juniors.

DCAS 2010/11 Winter Postal Leagues

We had promised to return entry fees for the uncompleted 2010/11 winter Postal Leagues. We believe we have now done so: in most cases the cheques from Clubs had not been banked, have now expired and have been destroyed. If any Club believes we have taken entry fees for the 2010/11 winter Postals and not yet returned them please provide details of your cheque issued and when it was cashed.
