

## EDITORIAL

Well, here we are again, it was at the AGM last year we took over the editorship of the DCAS Newsletter. For the first few issues it went quite well, though mainly thanks to the committee, and especially Bob Young who has written some very good copy.

Surely Bob is not the only one who can write in this large two county area. If you want this newsletter to continue then YOU must send us something to publish. This issue is thin on the ground. We do not intend to write it all for you, after all we are only the editors. Colin has compiled all the competitions in the last issues, where are yours? Shirlea from Dorset and Wilts has sent us the crossword for this issue.

We cannot print enough for every archer to have one, so please if you do get a copy please share and pass it round your club members. We have been asked if it can be put on the website and we will look into this.

## PHYLLIS GRIFFITHS AWARDED GNAS PLAQUE

Congratulations to Phyllis Griffiths on being awarded a GNAS Plaque for her services to archery. Phyllis was a founder member of Elmtree archers in Holsworthy, and later Rydon Archers. She is well known for her Horizontal Popinjay shoots, and a few years back took a coach load of members to Belgium to shoot in a competition, where horizontal popinjay is very popular

The award was presented at Yelverton Open Shoot by Lady Paramount Pat Sinclair and DCAS President Sally Sandoe.

Thank you to Ian Johnson for the photographs.

Our **CROSSWORD** this issue has been supplied by Shirlea Rye, who has kindly offered a prize for a correct entry sent in. All correct entries will be put into a draw which will take place at the Indoor Championships at Plymouth. Correct entries will also qualify for the DCAS draw for a free entry to a DCAS Tournament

## NEWS FROM THE CLUBS

**PLYMOUTH ARCHERS** held a 12 hour sponsored shoot in aid of Children in Need on 16<sup>th</sup> November, 2007. We shot from 3pm until 3am at Lipson Community College, Plymouth, and yes it was hard work staying awake and concentrating.

There were 6 members of the club that shot for the full 12 hours, with other members shooting for up to 10 hours.

At the same time we held a Have A Go session with the £1.00 donation going to Children in Need.

We raised about £600.00. Ivor Dewdney Pasties also donated 30 pasties to keep us going during the night and the staff at the College gave their time freely too. Many thanks to all that helped us raise the money.

*Ed. Well done Plymouth Archers, did any other club do anything to help Children in need, or any other charity? We would love to know.*

### REPORTS FOR NEXT ISSUE

With Christmas around the corner, most of us will be having a fun shoot at the club. We would like you to give us a report so that you can share ideas for others to try next year.

Are you a collector? Maybe you have something missing from your collection. Why not advertise in this newsletter.

Maybe you would like to talk about your collection and get others interested. Just write us an article about it and we'll be pleased to print it. Remember all articles printed get a free entry into a draw for a free entry to a DCAS tournament.

## Ha Ha!

Experienced archer asks newer member:  
Are you going to the AGM?

He answers: No, I haven't yet, I have my ACC arrows and a AEG sight, also go some TFC's for my stabilisers, so where does the AGM go?

Experienced Archer: It doesn't fit on your bow, It's the Annual General Meeting to elect the new committee to help us all by running the Devon and Cornwall Archery Society.
