Our grateful thanks to our Lord Paramount for awarding the prizes. Our thanks also to our Judges - Mike Byrnes, Mick Hawken and Jean Carter for keeping the shoot running smoothly despite the awful weather, particularly in the morning. Thanks to all the Club Members who gave up their time on Saturday to help with the layout of the field and to the Field Crew/Shooting Members for helping put up the targets at the start of Sunday and for shsifting targets and equipment at the change of distances. Also for clearing away at the end of the day. Special thanks to Carol Trehane and Jenny Deacon who kept everyone fed and watered during the day and for offering "tea and sympathy" to all the waterlogged stalwarts who carried on shooting. Thanks to everyone who prepared the food, made cakes and savouries etc. for our catering table. Thanks to all who cleaned up the school areas and tidied away at the end of the afternoon. My thanks to Caroline Perry for her help with the results which were not easy this year as so many people retired and we didn't know how many of each discipline were left shooting. Finally, our thanks to all of you for supporting the Club by coming and we will try for a sunnier and less windy day next year!
