**** With sincere apologies to Penny Crane for inputting the wrong score & Cath Palmer-Wills for not including her at all!!**

First of all our thanks to our gracious Lady Paramount, Lady Beryl Boot of Plympton, to our 2 Field Captains, Chris Vitali & Mike Byrnes who made sure of fair play in the Battle against the French, and kept the morning shoot moving, Thanks again to our gallant field crew both for their labours on the Saturday PM and who worked very hard during the whole day on Sunday. As some of them were not even shooting, it was much appreciated and was good to see so many of our newer members helping. My thanks go to Bev Parkinson for keeping you all fed with the bacon butties in the morning, and to Hester Way for her help with the refreshments during the day. I am sure we all appreciated the efforts our gallant "St. George" [Peter Fleet] had made with replacing the French Army after the awful weather last year and for the extra embellishments around the battle field. It was a pity that the weather turned nasty after such a lovely sunny start to the day, but we hope you all enjoyed the day and doing something different in the "battle shoot". We thank you all for coming and supporting us, and hope to see some, if not all of you, at our "normal?" shoot on 19th May.
