* Errors discovered on checking score sheets. Noted Hits and Golds were not added up in some cases and some scores had been altered without benefit of Judges!!

Our grateful thanks to our Lady Paramount, Bev Parkinson for presenting the awards at the end of the day. Many thanks too to our two Field Captains for keeping the shoot running smoothly all day, and for responding to calls for "judge" when needed. Our thanks to Bev for spending much of the day slaving over a hot stove making bacon butties and serving refreshments. Those thanks are also due to Paul Brewer's wife, Evelyn, for giving up her spare time to help us out again. Without her help and that of Ann Gillbanks [in the morning & helping me get the results out at the end] we would have been pushed to keep everybody happy. I am not forgetting Jason Gardiner for all his efforts with the catering until he had to disappear for work later in the day. As always, thank you very much to the Field Crew for all their hard work on Saturday pm before the shoot and all day Sunday, especially as some of you were shooting. It was great to see so many new club members on both days lending a hand. Thankyou to all those involved in clearing away everything at the end of the day, cleaning all the debris left behind in the Hall and for helping Mike and I reload the car before going home. Congratulations to Angela Bolt for her "3 Gold Longbow End" and I believe a couple of DCAS records were broken, so well done. I apologise to all concerned for the errors made with the results - these have now been sorted, and apologies to those concerned for getting it wrong. Finally, thank you all for supporting 'Tors. It was great to have so many entries, almost like old times and we are glad the weather was kind to us. Hope to see you all at the Autumn Gold, 1st September 2013
