First of all our thanks to our gracious Lady Paramount, Lady Sarah Connisbee of the Duchy of Cornwall, to our Kings Herald Christopher Vitali and Mike Byrnes who made sure of fair play in the Battle against the French, and kept the morning shoot moving, Thanks again to our gallant field crew both for their labours on the Saturday PM and who worked very hard during the whole day on Sunday. My thanks go to Bev Parkinson for keeping you all fed with the bacon butties in the morning, and to Andy Parkinson for his help with the refreshments during the day. I am sure we all appreciated the efforts our gallant "St. George" [Peter Fleet] had made with renewing the French Army after the awful weather last year and for the extra embellishments around the battle field. After the awful weather the previous Sunday, it was good to have the sun shining on us, even if the wind was a little cold! Thank you to all the gallant bowmen who supported the English cause and we hope to see you all on the 18<sup>th</sup> May 2014 for a normal challenge!
