25 October 2020

To all DCAS Club Secretaries and Members,

Annual General Meeting

Notice is hereby given of the 2020 Annual General Meeting of Devon and Cornwall Archery Society. Due to the unprecedented circumstances of the Covid19 pandemic, and the associated restrictions to control the spread of the virus, the meeting will be held as a virtual meeting online using the Go To Meeting platform on Sunday 22nd November 2020 starting at 2.00pm.

This Notice and associated documents are sent to all DCAS Club Secretaries so that they may be circulated to all Club members. If you are no longer Club Secretary could you please pass this Notice to the correct person. All affiliated members of the Society are entitled to attend the AGM, and all Senior affiliated members of the Society are entitled to vote.

The AGM is your opportunity to have your say in the running of your Society, and to elect the Committee who will manage the Society on your behalf for the next 12 months. Please, therefore, try to attend the AGM yourself or encourage another member to come to represent your club. A copy of the Minutes of the 2018 AGM is attached.

In accordance with our constitution all members of the management committee are subject to election at the AGM and you have the right to nominate members. You are also entitled to propose any matter for consideration at the AGM. Matters will be included at the Chairman's discretion insofar as time allows.

Yours faithfully

A handwritten signature in black ink, appearing to read 'K Williams', is written over a faint, light-colored circular stamp.

Karen Williams

How you can attend and participate in the AGM

Go To Meeting is an on line meeting system that enables access to a meeting over the internet using sound and camera access to the meeting remotely from your own home. This can be accessed by anyone with a computer, laptop, tablet or smart phone. If a member wants to join but doesn't have any of these devices, they can access the meeting using a telephone to call into the meeting and hear proceedings.

In order to ensure only affiliated members of the society join the online meeting, we will need those who intend to attend to register their interest and the link or telephone number to join the meeting will be sent to these members.

If you want to attend the AGM, send apologies, nominate a member of the committee, ask a question or propose a matter to the chairman to consider for the agenda, please let us know using the following survey.
